

Hi Rick~

I am attaching the proposed lakeshore regulations that will be forwarded to the City-County Planning Board for a hearing on May 21st, 2009 at 6 pm. I will follow-up and let you know what the hearing date will be for the City Council.

There are 2 versions of the regulations attached. The document entitled "WF Lakeshore Regulations LPC Recommended" is the final version. The document entitled "WF Lake Lakeshore Regulations LPC Recommended Highlights for Amendments 03122009" includes two (2) colors of highlights to differentiate those changes made at the Lakeshore Meetings in March. Both documents include references to explain the changes made from the current regulations.

The regulations will also be listed on the city webpage at http://www.whitefish.govoffice.com/index.asp?Type=B_BASIC&SEC={585EA675-3BEB-4D23-817F-545BD9195196}. I have submitted the changes and they should be posted later today.

If you have any questions, please let me know. Thanks,

Nikki Bond, CFM
