

# THANKS FOR A GREAT ELECTION, WHITEFISH

I want to thank and congratulate all the candidates who ran in this year's Whitefish City Council election. All fought hard and admirably.

I acknowledge in particular Councilor Frank Sweeney, who ran a spirited campaign. I have taken some ribbing from folks who point out that—like Frank—I have Texas roots.

As I've said before, I love this town. Regardless of the election's outcome, we all need to work

together, starting next week, to help our town reach its full potential.

Therefore, I am asking you for two things. First, please stay in touch. Many of you shared your suggestions about how to make our beloved City work best for everyone. We will be depending on you in the future.

Second, if you haven't voted yet, please mail your ballot now. It must be received by the County Elections Department by Nov. 3 (Tuesday). To be safe, you should mail it no later than Oct. 31 (Saturday). If you can't

mail it by then, you can deliver it in person to the Election Department in Kalispell no later than Nov. 3 at 8:00 p.m.

If you have questions, please call the Elections Department at 758-5535.

And I hope you stay in touch with me at [rick@welovestumptown.com](mailto:rick@welovestumptown.com) or call me at 863-2201.

Thanks to all.
